The image shows two screenshots of the Figma application interface. The top screenshot displays a website prototype for 'SESI' (Serviço Social da Indústria) on a desktop screen. The prototype includes a header with the SESI logo and navigation links like 'PORTAL EDUCA', 'MEU SESI - ENTRAR', and 'HOME'. Below the header, there's a main content area featuring a workshop event and a performance by the 'Bachiana Filarmônica'. The bottom screenshot shows the 'Variables' panel, which lists various design variables such as 'Roda pé' (Value: BC1016), 'Cabeçalho' (Value: E30514), and 'Dados da empresa' (Value: 6E160C). Other variables include 'Cabeçalho2' (Value: FFFFFF), 'Páginas' (Value: FBF8F8), 'Linha - cabeçalho' (Value: FFFFFF), 'Linha - cabeçalho2' (Value: 9C555B), 'Cor da fonte + escura' (Value: 848484), 'Ac Geral' (Value: E5051F), 'Ac Libras' (Value: 276EE6), 'Barra de pesquisa' (Value: 2), 'Fonte - texto' (Value: Montserrat), 'Menu acessibilidade' (Value: 30), and 'Ac libras' (Value: 10). The Figma interface includes a toolbar at the top and bottom, and a status bar at the bottom right indicating the date (02/06/2025) and time (15:47).
